**SHOWCASE** is the world's only collection management software created specifically for small community-based museums and private collectors. Very affordable & professionally developed with an intuitive design, **SHOWCASE** is perfect for museums which rely on part-time & volunteer staff.

With **SHOWCASE**, easy & affordable doesn't mean losing great features previously found only in expensive systems. Here's just a sample of the terrific benefits your organization will realize!

◆ **Improved Stewardship**

*Quickly respond to complex inquiries!*  
*"Do we have any 19<sup>th</sup> century dolls in good condition donated by J Smith?"*

*Easily track the location and donors of artifacts!*

◆ **Enhanced Reference Capabilities**

*View details of every artifact!*  
*Display photographs of your artifacts, then zoom in for closer inspection!*

*Quickly locate artifacts in a collection with easy cross-reference to related artifacts!*

*View fragile documents, such as letters and newspaper clippings, without the need to handle them!*

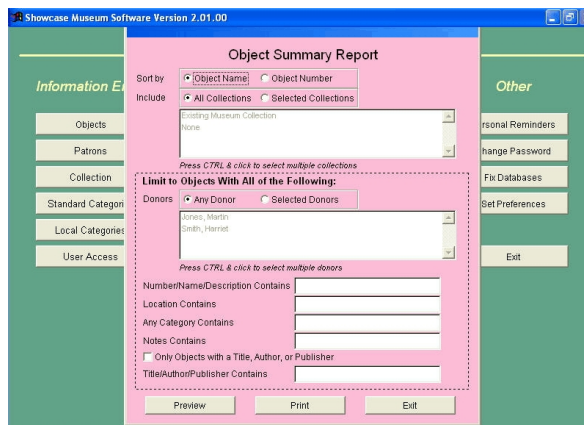

◆ **Insurance Protection**  
*Maintain a complete record of each artifact showing condition & location, with supporting photographs!*

◆ **Convenience With Security**  
*Built-in security allows you to specify whether individuals can update or only view information.*

*Provide public access workstations with view-only capabilities!*

*Automatically print display cards for your exhibits!*

*Easy to learn and use, even for part-time and volunteer staff!*

We created **SHOWCASE** to bring extraordinary value to your organization. In addition to enhancing your operation and ability to serve the public, your donors will be delighted to see your professional management of their treasured gifts!

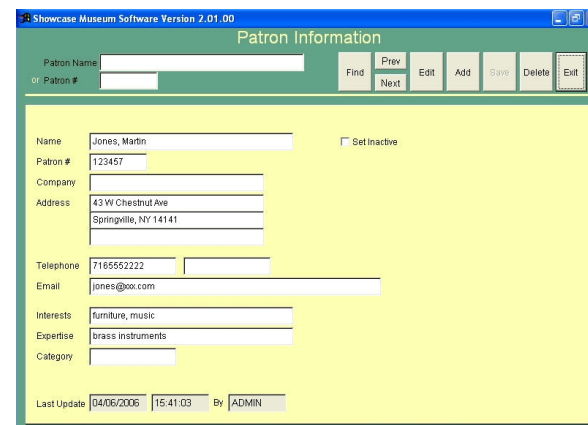

Ready for more great news?

◆ **Manage Membership**  
*Keep your membership information up-to-date!*

*Categorize patrons by donor level, interests, and expertise.*

*Easily market upcoming exhibits to those patrons most interested!*

*Quickly identify important donors or locate members who have a particular interest & expertise!*
